

Schedule and View your Permits Online

**Here is a fast and easy way to schedule your inspections,
anytime!**

- From the City of Black Diamond website, click on the Community Development/natural Resource tab located at the top of the page.
- Click on the Permit Center link
- On the Permit Center site, click on PERMIT STATUS which is located on the middle left of this page
- You will need to register to log in to Citizen Connect
- Once you are registered, you can access the system and are able to:
 - Find additional information and forms
 - Search for a permit
 - Request an inspection
 - Track your permit and it's status
